

## News Release

December 2<sup>nd</sup>, 2024

From: Randy V. Hein  
Sumner County Extension Agent

### **Private Pesticide Applicators Testing Changes Starting January 1, 2025**

The Private Pesticide Applicator testing, as most are familiar with, will be changing on January 1, 2025. Exams will now be closed-book at local Extension Offices with new rules to come. There will be two other options available. You will have the option to attend an in-person training, or a 6-module online training with reviews and activities to complete. You may still renew your certification with the current rules and prices, but this must be completed before January 1, 2025. Please contact the Sumner County Extension Office to schedule an appointment to take the test at 620-326-7477.

K-State Research & Extension is committed to making its services, activities and programs accessible to all participants. If you have special requirements due to a physical, vision or hearing disability, or a dietary restriction please contact Sumner County Extension at 620-326-7477 or [su@listserv.ksu.edu](mailto:su@listserv.ksu.edu)
